Questions about the sermon? There are some great spiritual treasure nuggets in the Old Testament. We hope you discovered some today about the character and work of God.

1. How well do you feel you are anchored to the Scripture - knowing the character of God as well as how He works?
2. Did anything surprise you from the Old Testament this morning?
3. What anchor point stood out to you as being very important for you to apply to your life in these uncertain times?
4. Do you feel you are trusting the Lord even though things could get worse in our country in the next months or year? What are you doing to firm up that trust in Him?
5. Are there some Bible verses you should commit to memory for your stability and to have handy to share with someone else who may be struggling?
6. Might you and your family make a list of people from GBC to reach out to - visit if it is safe to do so or contact virtually so you stay connected with your church family.
7. How is your attitude, behavior and language?

Scale of 1 - 10 for each? 1 - Poison of Bitterness —> 10 - Reflecting Christ

8. Going forward after the election - will you put limits on your social media time and involvement with people?
9. Might you have relationships to straighten out that have been frayed for any number of reasons? What's is your plan?

10. If you are struggling with spiritual, emotional, mental health issues - please don't suffer in silence - contact Pastor Daniel or Pastor Paul for help. The world and life has gotten very rough - we need each other for support.
