
How Great Is Our God (Gen 1; Job 12:7-10) - Binocular View (Part #2)

Taking a moment to observe the wonderful works of God, his fingerprints upon creation, should lead us to praise for who he is and strengthen our faith as we see his glory on display. Not only does the cosmos lead us to this but also the observable world we live in every day.

Are science & God at odds with one another?

1) Creation Leads Us to _____ (Genesis 1; Heb 11:3)

Faith as Universal Connection –

“god of the gaps” –

“the heavens & the earth” –

2) Creation _____ Us About God (Job 12:7-10)

Encouragements from an Argument –

v. 7 – “teach” –

Creation vs. Evolution –

Which creation speaks the most to you about the glory of God?

3) Creation Calls Us to _____

_____ the God of Creation (Col 1:15-16)

_____ in God's Sovereign Control (Col 1:17)

Be Good _____ of the Earth (Genesis 1-2)
