

"A.I. Displacing & Replacing Relationships" (Various Scriptures)

While we may complain about how cellphones have disrupted our lives, A.I. is causing bigger ripples that will affect the very fabric of every society and its relationships. We must maintain a biblical perspective and allow the Word to be our authority and guide.

Cellphones are not the only thing that has changed our relationships...

1) A.I. Has Touched _____ Relational Landscape

Define the Terms...

Chatbots –

Avatars –

Romantic Partners –

Friendships –
